com**

Open to girls of all ages. There will be special sessions for girls competing in princess and Jr.

Queen pageants as well as a special session for high school rodeo queen contestants.

Topics to be covered include:

- Hands On Horsemanship
- Equine Science
- Personality
- Appearance- What looks good on you?
- Nutrition/ Body Image
- Public Speaking
- Knowledge/Terminology/How to Study
- Interviewing
- Modeling
- Etiquette and Manners
- Attitude and Congeniality
- Princess/Jr. Queen and High School Queen Information
- Special Parents Seminar
- MRA and MRW Information.

Cost of clinic is listed on the insert.

These prices include lodging at the Douglas State Fair Grounds as well as most of the meals.

If you have been to a Miss Rodeo Wyoming Clinic before, you have received a notebook. This year, each speaker will have handouts or request that you take notes. These papers can be added to your notebook. If this is your first time at clinic or you would like to buy another notebook, they will be for sale for \$25. Please let us know if you would like one when you register so we can have your notebook ready.

Hands on Horsemanship

We will have a horsemanship session Saturday morning. Please bring a horse and be prepared to ride. Remember to bring feed, bedding, water buckets and all tack that you will need for your horse.

Horsemanship Clinician

Megan Grieve lives on a small farm in northern Colorado and graduated from Colorado State University with a Bachelor's in Business Management and Equine Science. She also earned certificates in Entrepreneurship and Supply Chain Management while working on many strategic projects involving 'live' clients. While at Colorado State she was part of the 2006 AQHA World Champion Horse Judging Team and received the individual reserve title. Megan now judges open and 4-H shows across the western United States. She recently joined the staff of the CSU Equine Sciences program in the public relations, marketing, and event coordination areas. Prior to this, Megan worked as Assistant to the National Western Stock Show PR/Marketing Director for two full shows. She also represented Colorado as Miss Rodeo Colorado 2008 and was named third runner-up at the Miss Rodeo America Pageant. Megan continues to enjoy involvement in rodeos as she coaches aspiring rodeo queens, teaches seminars and clinics, and helps her family at amateur and PRCA rodeos. Megan plans to pursue a MBA and continues to combine her passions for the western way of life and entrepreneurship as a career.

There will be a mock pageant on Sunday. Please bring a modeling outfit including a cowboy hat and boots and be prepared to practice all aspects of a rodeo queen pageant.
