On August 14th, 2017, I was honored to be crowned Miss Rodeo Wyoming 2018 at the 105<sup>th</sup> Wyoming State Fair. A dream that I have been working countless hours for years to fulfil.

Since its inception in 1955, the Miss Rodeo Wyoming crown has graced the hat of 60 wonderful women. As Miss Rodeo Wyoming they traveled the country educating communities about the wild sport of rodeo while simultaneously emulating the western lifestyle and all of its wonderful attributes. As a representative of the "Cowboy State" they showed the rest of America what being a true Wyoming Cowgirl was all about. As your 61<sup>st</sup> Miss Rodeo Wyoming, I plan to carry on their legacy while working to create a legacy of my own.

This year I will be traveling across the country celebrating the sport of rodeo and educating those with whom I come in contact with about the western lifestyle while simultaneously working to create my legacy.

I believe that rodeo is not just a sport, it is a way of life. Like many great cowboys in history, time and time again they have proven to be the best of the best. Living a lifestyle engrained in hard work, loyalty and humility. The true American Cowboy is a symbol that will live on forever.

Over the course of 127 years the word "Wyoming" has become synonymous the true western spirit and I look forward to celebrating these ideals as I work to represent the best state in the Union.

This year would not be possible without support and partnerships from people like you. Together I believe we can make a difference while at the same time celebrating the sport that we all love so much. I wouldn't be where I am today without the love of my rodeo family, and I hope I can use this year and the servant's heart that God has given me to give back as much as I can.

I invite you to join us on October 14<sup>th</sup> at the Marian H. Rochelle Gateway Center in Laramie, WY for my "Breakin' Through" coronation celebration. We will be spending the night honoring Wyoming women, the sport of rodeo and our western lifestyle.

Please review the back of this page and the attached benefits sheet to see how you can be involved in this journey.

Thank you and God Bless,
